Work Experience

Server

Escalante's - The Woodlands, TX

August 2023 to Present

I performed typical server duties, including the memorization of drinks and menu items, some in Spanish. I learned different Mexican and tex-mex dishes, along with training in finer dining. I perform well under pressure regularly and with bigger sections, including tables inside and outside. Keeping a positive attitude and outlook is also important.

Server

Spanky's Pizza - Houston, TX

September 2021 to Present

I am a server at the bar and restaurant known as Spanky's. I take orders from guests after they've been seated, and because we have a bar, I can also take a drink order just as well as a food order. We get very busy on weekends, and thus I am well trained to handle a large section on my own. One such example would be the fundraiser we held for the shooting victim Arlene Alvarez, which saw an entire community come together in support.

Server

First Watch - The Woodlands, TX

November 2022 to July 2023

I was a server at First Watch in the River Oaks area of Houston. This was by far the busiest location of First Watch, and the constant flow of customers was proof enough. Taking beverage orders and getting food out within an allotted time was a necessity at a breakfast place, to ensure the sales were high and the customers were happy. Every order was taken with major attention to detail, as it was important to get the order out quickly and correctly. I had the same duties as any server, rolling silverware, cleaning the floor, etc.

Cashier

Chick-fil-A - The Woodlands, TX

April 2018 to August 2018

As a Chick-fil-A employee, customer service was always a top priority. Everything that could possibly be done for a guest was a guarantee from the staff. Taking orders accurately and getting food to the

patrons in a timely manner was essential. I mainly handled transactions but also quite often delivered food to tables of guests, along with other assorted duties such as taking out the trash and cleaning the restaurant after hours.
